Thank you very much for picking up
"Alone and Alone"

This story is the continuation of
"Helen's Day," which appeared at
a one-shot sales story in "Helen's Day"
after beginning as a short comic.
(Under the comic) name is "Helen's Day".

Speaking of readers of this story -
Angela, I think Helen's last was not
from the start, I was slow getting you to
paper, plus I finished these stories on
by taking my time. It was really miserable.

(Maybe, though, thank you so much)

When I will realize, I was very
reluctant and really happy to have realized
the happiness and beauty of this world
and as I really, truly thank you so much

Keep my self, comments are in good hand-
writing (!) Although I'm a slacker, I
think I'm very happy to write this, too,
you comment on and read with me

Well then, to all those kindly involved in
this group, much gratitude

Madame Hale

Then if there's something you want, just say so. Shoo-shoo

Huh?

It's called Day return, y'know?

He gives me a sense of belonging

Well, I planned for today, but if it's not something you want, I'll try to make it better.

I'm not sure if I'm doing this right, but I'll try my best to make sure you're happy!

You always look after me, so I'll just say a way to say thank you for everything!

It might not be a big deal, but...

Are you holding back, Shoo-shoo?

Does it, Shoo-shoo?

I'm not sure if I'm doing this right, but I'll try my best to make sure you're happy!

That'd be a
NO...
